## Work History

2020-06 -  
2020-08

### Logger

*Ward Logging, Ausable, New York*

- Handled bucking of trees and removed limbs that were cut down.
- Incorporated safety procedures into every shift to protect workers from accidents.
- Cleared brush from areas where trees were being prepared for removal.
- Stopped saw engines, pulled cutting bars from cuts and ran to safety as trees fell.
- Moved logs onto trucks or crane hoists for movement to processing destinations based on factors such as size, cut and usability of cut pieces.

2018-06 -  
2018-08
